PLACEMENT EXAM

Incoming freshmen are required to complete a placement exam. The results of the placement exam assist in determining the English, math, and science courses the student will participate in during 9th grade. The exam results also help identify students for required participation in the Incoming Freshmen Academy math and reading summer school programs.

Conant High School uses the PSAT 8/9 as its placement exam. The PSAT 8/9 is part of a series of exams offered by the College Board and serves as a precursor to the SAT, a long standing college entrance exam that also is used by the State of Illinois as its mandated student achievement test for third-year high school students. The PSAT 8/9 provides scores for mathematics and evidence-based reading and writing. More information about the PSAT 8/9 is available on the College Board website at <https://collegereadiness.collegeboard.org/psat-8-9>.

The Class of 2027 will take its placement exam on Saturday, October 15, 2022. Testing begins promptly at 8:00 a.m. and students should arrive no later than 7:45 a.m. in order to check-in and locate their assigned testing rooms. Students should bring at least two No. 2 pencils and a calculator when reporting for the placement exam. Calculators are allowed for portions of the mathematics exam, however, smartphones are not allowed to be used as calculators. The exam will conclude at 11:15 a.m. Students will not be dismissed early.

Students eligible for testing accommodations will receive information about accessing these supports in the weeks leading up to the exam date.

Students with testing accommodations will finish at different times and will need to provide their own transportation home after testing.

Questions about the placement exam can be directed to Brigit Cain, director of student services, at 847-755-3626.

TRANSPORTATION TO PLACEMENT EXAMS

Conant High School provides dedicated bus transportation to and from the placement exam. Students wanting to access this optional service must be at the designated bus stop (intersection) closest to their home no later than 7:15 a.m. on October 15. Questions about bus transportation can be directed to the District 211 Transportation office at 847-755-6796. Bus routes are provided for your reference.

Counselors lead students through grade-specific activities and lessons during the school year. The activities, often provided in classroom settings, are designed to support student development in the areas of academic proficiency, post-high school planning, and social-emotional wellbeing.

Parents are encouraged to contact their child's school counselor anytime the parent seeks greater insight about their child's status in school. The counselor has access to a variety of resources to assist parents and can facilitate connections with others in the school as needed.

Registrar

The Registrar's Office maintains all permanent school records and manages the collection of students' grades at the conclusion of each semester. Permanent records are maintained for sixty years after a student graduates, transfers, or permanently withdraws from school.

Conant High School uses Parchment, an online system, to process transcript requests. Details about Parchment can be found on the school website at <https://adc.d211.org/Page/7025>.

If needed, contact the Registrar's office at 847-755-3628.

Students cannot attend school unless these requirements are satisfied. The physical exam must be documented using the official State of Illinois form available on the District 211 website at <https://adc.d211.org/health-exam-form>. **The physical must be completed within 12 months of the start of school which is on or after August 14, 2022.**

In cases where the parent/guardian is unavailable, the office will contact an adult listed as an emergency contact on the student's school registration information. Please make sure emergency contact information is up to date.

The Health Services office will only administer prescription and non-prescription medications in school after the parent/guardian has provided a signed copy of the Authorization for Administration of Medication form. Families of students with chronic health conditions should contact the Health Services office to discuss appropriate accommodations for the student.

The Conant High School school nurse is Dawna Smeltzer. Mrs. Smeltzer can be reached via email at dsmeltzer@d211.org or by phone at 847-755-3662.

SOFTWARE SYSTEMS & USER ACCOUNTS

A variety of software systems are used to maintain student information, manage instructional tasks, and support student development. Parents and students alike have access to these systems, and parents are encouraged to establish user accounts for each system and reference the library of tutorial videos to learn how to maximize the use of these systems. The tutorial videos are available on the District 211 website at adc.d211.org/page/7133.

Infinite Campus

Infinite Campus (IC) is used to manage student data such as contact information, attendance, grades, and assessment scores.

The IC portal is located at <https://campus.d211.org/campus/portal/township.jsp> and requires parents to create a unique individualized user account. Account creation requires an activation key and all parents are sent that key during the fall of their child's 8th grade year in anticipation of entrance to high school. Parents of transfer students will receive an activation key upon school enrollment. Parents are discouraged from sharing their IC password with their child since the parent account includes privileges unique to the parent's role. Students have their own IC accounts.

Schoology

The Schoology portal is located at <https://d211.schoology.com/login?&school=13690631>. This platform helps teachers track, report, deliver, and collect instructional materials. Parents will receive an email early in the school year with details about accessing Schoology, including an individualized username and temporary password. Once in Schoology, parents will be able to see every course associated with their child.

MySchoolBucks

MySchoolBucks is the exclusive system for District 211 parents to make school meal prepayments, as well as make online payments for monetary transactions with the school such as iPad protection plans and repair costs, student parking permits, and more. Parents can create a free MySchoolBucks account by www.myschoolbucks.com or downloading the MySchoolBucks app to their mobile device. Please contact the District 211 Food and Nutrition Services department at 847-755-6681 if you have questions about this free service.

SUMMER SCHOOL

The District 211 Summer School program includes academic courses and summer activity/athletic camps. Each experience is designed to help students in their journey toward high school graduation and explore areas of interest.

Academics

Summer School courses provide an opportunity for students to recover course credits, replace low grades with higher grades, move ahead within a curriculum sequence, and explore areas of career interest.

Activities/Athletics

School activity and athletic teams sponsor summer camps to help students explore areas of interest and to enhance skills in preparation for upcoming athletic seasons and events.

The first session of Summer School 2023 runs from June 1 - June 26. The second session runs from June 27 - July 20. Each 3-week session holds classes Monday through Thursday.

ACADEMIC SUPPORTS AT CONANT

At Conant High School, we strive to provide academic support for all students, in order to enhance student success. While students are always encouraged to seek assistance from their academic teacher, a variety of resources are available for students seeking additional support.

Grade Reporting

Student grades are reported by semesters. Each semester is made up of 18 weeks. Parents are informed of their student's progress at 6- and 12-week intervals. The 6- and 12-week in-progress grades may include special comments from the teacher. Parents of students having difficulty or doing unsatisfactory work are urged to meet with teachers and/or the student's counselor to discuss improvement options. Specific dates of all student reports are in each school's Calendar Handbook. Additionally, all parents may view the status of their students in classes in which the teacher is using the Infinite Campus Parent Portal.

Team Room

Students work with their counselor to develop a personal academic plan based on their interests and goals. The counselor can also recommend other academic supports as needed. Administrators, counselors, psychologists, social workers, and support staff work hand-in-hand to personalize a student's academic supports.

General Study Hall

All students with a free period are assigned a General Study Hall where they can quietly do work or seek other academic supports in the intervention hallway.

Tutoring

Tutoring for various subjects is available throughout the school day. Students are able to drop in for extra support as needed to ensure academic success. Students are always encouraged to talk to their teachers about specific issues in their class.

Guided Study Hall

Students may be assigned to a Guided Study Hall. This study hall offers a smaller setting in which they may receive one-on-one guidance from a staff member. In addition, students will work to develop study, organizational, and other academic skills.

Athletic Study Hall

Student athletes may be assigned to a Guided Study Hall if their grades fall below the district standard. This study hall is designed to give your student athlete a quiet work environment and access to additional resources when needed.

SAT Prep

Students identified through our search process or requesting training for the SAT may be assigned to our SAT Prep program. There they will receive additional strategies and materials in a smaller setting tailored to improve their test preparation.

AP Coaching

Students participating in an AP course may be assigned to or request placement with an AP coach. Coaches are teachers of AP courses who guide students on improving their learning, organization, time management, and access to additional supports.

Student Support Team (SST)

Each SST consists of an administrator, counselors, and psychologist/social worker, which provides one point for parents and students to access support services. This team format provides an opportunity for staff to collaborate and to address attendance, behavior, and academic issues quickly and efficiently.

PRIDE

Conant High School's PRIDE Program (Preparing Resourceful Individuals Determined to Excel) is a student mentorship program aimed at easing the transition to high school. Mentors are junior and senior students who have been selected based on their leadership qualities. Student mentors and visitors to the program conduct lessons three days a week for our freshman students during the first half of their lunch period first semester. These lessons are focused on providing students with resources for a successful student career and helping students establish a sense of belonging at Conant High School. On Mondays and Fridays, students have the opportunity to check their academic progress or spend time receiving tutorial supports. At the end of the first semester, the PRIDE curriculum will be complete.

Need Help, But Not Sure Where to Begin?

If a student has academic questions or difficulties they should contact their classroom teacher for help. Parents may contact teachers through email or by phone. Questions regarding scheduling, emotional health/wellness support, or post-secondary planning can be addressed by a student's counselor. Students who may not know where to begin for support may visit their team room where a staff member or administrator can engage them and help to ascertain their unique needs.
