

October 2020

Dear Parents/Guardians of Incoming Freshmen Class of 2025,

Your family is invited to our virtual Incoming Freshman Student & Parent Night on Wednesday, December 9. The evening will begin with a live webinar welcome from me, followed by information on core and elective course planning, career pathways, and high school registration by Director of Student Services, Ms. Delgado.

In November, students enrolled in public junior high schools will complete the Xello Matchmaker Interest Inventory. The results of the Matchmaker Inventory will help your student identify potential career pathways. Students are encouraged to pursue their identified pathway by selecting corresponding electives.

The Freshman Elective Course Sheet for the 2021-2022 school year is also included. The Freshman Elective Course Sheet lists the available elective courses from which your student could choose. Please have your student pick TWO electives and an ALTERNATE elective (if the first two electives are not available). Detailed information about these courses, as well as the entire District 211 curriculum, can be found in the curriculum guide which your student will receive at their junior high school. An electronic version of the curriculum guide is also available on the Schaumburg High School website, under the "Academics Tab".

We look forward to you joining the Class of 2025 live webinar on Wednesday, December 9. Below you will find the schedule for the evening as well as information on how to access the Zoom webinar that evening by both phone and computer:

6:00 p.m. to 6:10 p.m.
Welcome Remarks
Brian Harlan – Principal

6:10 p.m. to 6:30 p.m.
Course Planning, Summer School, Registration
Yassila Delgado, Director of Student Services
