## A MESSAGE FROM BRIAN HARLAN PRINCIPAL OF SCHAUMBURG HIGH SCHOOL

I can assure you that at Schaumburg High School, our staff exists for one purpose and one purpose only. We want to give your children the best education and post-high school preparation possible.

Our vision statement, “We Are SHS,” is only three words long, but it is reflective of the kind of school we want to become. We are SHS because of you. We are SHS because we believe that when we work together, great things can happen. I believe very strongly that everyone who comes in contact with your son or daughter has a stake in his or her education and future.

You can expect a rigorous curriculum taught by highly-qualified teachers who are guided by the belief that all students can learn at very high levels if given the opportunity and the support to do so.

We are SHS because we believe that every student who attends SHS has a right to rise as far as talent, desire, and commitment will take them. As a school, we know that we cannot do this alone. We realize and understand that it takes an entire school community of parents, students, teachers, and staff working together to make this school the very best that it can be.

You are the reason that we are here. We are SHS because of you. I look forward to working with all of you in the coming years to help make your experiences here at Schaumburg High School the very best that they can be.

Sincerely,

Brian Harlan  
Principal

“

*Welcome to Schaumburg High School! The Incoming Freshmen Transition Guide will be a helpful tool in your son’s or daughter’s preparation and transition into Schaumburg High School.*

# PLACEMENT EXAM

Incoming freshmen are required to complete a placement exam. The exam results also help identify students for required participation in the Incoming Freshmen Academy math and reading summer school programs.

Schaumburg High School uses the PSAT 8/9 as its placement exam. The PSAT 8/9 is part of a series of exams offered by the College Board and serves as a precursor to the SAT, a long standing college entrance exam that also is used by the State of Illinois as its mandated student achievement test for third-year high school students. The PSAT 8/9 provides scores for mathematics and evidence-based reading and writing. More information about the PSAT 8/9 is available on the College Board website at <https://collegereadiness.collegeboard.org/psat-8-9>.

The exam will conclude at 11:15 a.m. Students will not be dismissed early.

Enrollment materials may be submitted during the placement exam. Students eligible for testing accommodations will receive information about accessing these supports in the weeks leading up to the exam date.

Parents are encouraged to contact their child's school counselor anytime the parent seeks greater insight about their child's status in school. The counselor has access to a variety of resources to assist parents and can facilitate connections with others in the school as needed.

### Registrar

The Registrar's Office maintains all permanent school records and manages the collection of students' grades at the conclusion of each semester. Permanent records are maintained for sixty years after a student graduates, transfers, or permanently withdraws from school.

Schaumburg High School uses Parchment, an online system to process requests from current high school students for school transcripts. Details about Parchment can be found on the school website at <https://adc.d211.org/Page/4778>.

Graduates can request transcripts by logging onto their Parchment account. If needed, contact the Registrar's Office at 847-755-4628.

# SOFTWARE SYSTEMS & USER ACCOUNTS

A variety of software systems are used to maintain student information, manage instructional tasks, and support student development. Parents and students alike have access to these systems, and parents are encouraged to establish user accounts for each system and reference the library of tutorial videos to learn how to maximize the use of these systems. The tutorial videos are available on the District 211 website at [adc.d211.org/page/7133](https://adc.d211.org/page/7133).

## Infinite Campus

Infinite Campus (IC) is used to manage student data such as contact information, attendance, grades, and assessment scores. The IC portal is located at <https://campus.d211.org/campus/portal/township.jsp> and requires parents to create a unique individualized user account. Account creation requires an activation key and all parents are sent that key during the fall of their child's 8th grade year in anticipation of entrance to high school. Parents of transfer students will receive an activation key upon school enrollment. Parents are discouraged from sharing their IC password with their child since the parent account includes privileges unique to the parent's role. Students have their own IC accounts.

## Schoology

The Schoology portal is located at <https://d211.schoology.com/login?&school=13690631>. This platform helps teachers track, report, deliver, and collect instructional materials. Parents will receive an email early in the school year with details about accessing Schoology, including an individualized username and temporary password. Once in Schoology, parents will be able to see every course associated with their child.

## MySchoolBucks

MySchoolBucks is the exclusive system for District 211 parents to make school meal prepayments, as well as make online payments for monetary transactions with the school such as iPad protection plans and repair costs, student parking permits, and more. Please contact the District 211 Food and Nutrition Services department at 847-755-6681 if you have questions about this free service.

## Freshman LIFT

Schaumburg High School's LIFT Program is a student mentorship program aimed at easing the transition to high school. Mentors are junior and senior students who have been selected based on their leadership qualities. These lessons are focused on providing students with resources for a successful student career and helping students establish a sense of belonging at Schaumburg High School. LIFT Teachers also check academic progress and referring students to tutorial supports.

## Student Services Office

Students work with their counselor to develop a personal academic plan based on their interests and goals. The counselor can also recommend other academic supports as needed. Administrators, counselors, psychologists, social workers, and support staff work hand-in-hand to personalize a student's academic supports. Students may be referred to the Calming Space or Transition Room.

## Student Support Team (SST)

Each SST consists of an administrator, counselors, and psychologist/social worker, which provides one point for parents and students to access support services. This team format provides an opportunity for staff to collaborate and to address attendance, behavior, and academic concerns.

## Study Hall

All students with a free period are assigned a General Study Hall where they can quietly do work or seek other academic supports.

## Tutoring

Tutoring for various subjects is available throughout the school day. Students are able to drop in for extra support as needed to ensure academic success. Students are always encouraged to talk to their teachers about specific issues in their class.

Additionally, students may be invited to attend optional math courses based on their math placement for freshman year. Math placement is finalized in the spring; students will be notified of their recommended summer math programs at that time.
- Q: What is the Wellness class and does my freshman have to take it?**  
All freshmen are required to take Wellness as part of their 9th grade set of courses. Successful completion of the freshman Wellness course satisfies two graduation requirements: (1) a full year 9th grade Wellness and (2) the mandated Health Education curriculum as established by the Illinois State Board of Education. Students in the Wellness course split time between a classroom setting where essential concepts are explored and an activity setting where concepts are applied. More information about the Wellness course is available in the [District 211 Curriculum Guide](#).
- Q: I am not satisfied with my child's results on the placement exam. Can my child retake the placement exam?**  
Retesting is not available due to exam protocols established by the College Board. The placement exam, the PSAT 8/9, is not the only factor used to determine a student's placement in core subjects. Teacher recommendations also are considered before specific courses are assigned.
- Q: When will my child receive the results of the placement exam?**  
Placement exam results will be distributed at Incoming Freshman Night on December 5, 2022.
- Q: Whom should I contact if I have questions about placement test scores, course placement, or other details about my child's transition to high school?**  
Questions about course placement determinations should be directed to the Student Services Director, Yassila Delgado at 847-755-4626.
