## 2019-2020 SCHOOL REGISTRATION INFORMATION

**Classes begin on Monday, August 12, 2019**

**All students must be ENROLLED and REGISTERED before the first day of school attendance.**

Enrollment, a one-time process, requires valid proof of residency and up-to-date health records.

Registration, an annual process, requires updating of household information and payment of fees.

### STEP-BY-STEP ONLINE REGISTRATION PROCESS

Between **July 1 – August 4, 2019**, school registration can be accomplished online using your *Infinite Campus Parent* account. Log on, select **More** on the left-hand side, and complete these four steps:

1. Review and update **Address Information**. If you have a new home address, you must contact the student services office at Hoffman Estates High School to update your child's residency.
2. Review and update **Family Information**.
3. For each child, review and update **Demographics**. If you have more than one child enrolled at Hoffman Estates High School, you will need to select each child one at a time.
4. Select the **Registration** link on the right side of the **More** screen. The system will guide you through the registration process, including payment of fees using a credit or debit card (MasterCard, Visa, American Express, or Discover).

You can find a guided tutorial of the online school registration process on the District 211 website at <https://adc.d211.org/RegistrationDemo>.
