Township High School District 211 Summer School 2020

Mission Statement

"Township High School District 211 serves the educational needs of the community inspiring all students to successfully contribute to the world." – adopted by the Board of Education August, 2016

Welcome

Welcome to Summer School!

- In District 211, we are proud to boast quality programs, exceptional staff, and enriching opportunities for students.
- All students residing in High School District 211 may enroll in our tuition Summer School program.
- As you may know, we have a four-day week Summer School session, with a total of 26 days, 13 days each semester.
- Summer School provides opportunities for students to improve academic skills and to explore new interests. It
 also enables incoming freshmen to become familiar with the high school routine.
- Online registration begins on April 6 at 7:00 a.m. for Conant, Hoffman Estates, and Schaumburg High Schools, and on April 8 at 7:00 a.m. for Palatine and Fremd High Schools. Please register early. Walk-in registration also is available.
- For your information, decisions to run most classes will be made by May 29. Class sizes must be limited, and classes will close when the limit is reached. Classes with insufficient enrollment will be cancelled.
- We hope you enjoy your experience with us, and maximize this opportunity to positively impact students.

Payment:

After students have met with their counselor and have made course selections, registration can be completed for students at the high school they will attend during the 2020-2021 school year OR online. Online payment is available for District 211 families by using the Infinite Campus Portal found on your child's home school website. Online payment can be made by credit card using Visa, MasterCard, Discover, or American Express. Parents desiring to complete registration online may do so by using the same username and password that has been previously provided. Walk-in and online registrations must adhere to deadlines as stated. Payment for walk-in registrations may be done by cash, check, or credit card.

Transportation:

Students who pay in person for transportation will receive a temporary bus pass upon payment at the school where they register. If payment for transportation is made online, parents will be notified via email when a bus route has been assigned. The student then needs to see their counselor to get a temporary bus pass. A permanent bus pass will be issued to eligible students on the first day of attendance.

Food Service Options

Breakfast, lunch, and à la carte options are available to all students attending Summer School. A complimentary breakfast will be available to all students before the start of school each morning. Additionally, Hoffman Estates and Palatine High Schools qualify for the USDA's Summer Food Service Program that allows these schools to offer a free lunch to all students attending these high schools' Summer School programs, as well as any child under the age of 18 in the community. More information on these programs can be found on the district's webpage at: https://adc.d211.org/Page/7125. Conant and Fremd High Schools will offer a complete lunch daily for \$3.00. All lunch meals include an entrée, servings of fruits and vegetables, and milk. A la carte offerings in the cafeteria and vending machines also will be available.

If your child is new to District 211 this summer, an application for the free and reduced meal program for school year 2019-2020 is accessible online at http://adc.d211.org/page/6669 or a hardcopy is available at each school. Please remember that a new application will need to be completed prior to the 2020-2021 school year. This new application will be available in mid-July.

District 211 students attending Summer School will have access to their food service prepayment account. District 211 cafeterias allow parents to prepay for school food services. Students must use their ID card to access their prepaid meal account in the cafeteria. Students may make a deposit in the cafeteria using cash or check. Prepayment funds also may be added with credit card by visiting https://MySchoolBucks.com. If you do not have an account, you can create a new one by following the steps at MySchoolBucks.com. More information on food service accounts can be found at: https://adc.d211.org/Page/6670.

Transportation

District 211 school buses will run for morning credit classes only. District transportation is not provided for afternoon classes. The fee is \$35 for one semester, \$70 for both semesters. Because of irregular schedules, students in driver education classes may not be able to benefit from bus service. Transportation is not available for camps.

All students are asked to be at their assigned corner five minutes before the route start time and remain there until the bus arrives. Please contact your school's Student Services office with any bus assignment questions.

Summer School Regulations Frequently Asked Questions

Summer School is an academic enrichment program for students who desire additional learning opportunities. Time is precious; each day is equivalent to a week of study during the regular school year. Rules are enforced strictly, quickly, and consistently to maintain an atmosphere conducive to learning. There will be no exceptions made to the rules of conduct or attendance.

1. What are the attendance rules?

- A student who misses the first two days of a Summer School semester will not be allowed to attend class that semester.
- A student who misses the first two days of a Summer School semester will forfeit all tuition and fees.
- Upon obtaining a third absence (or any combination of absences/ tardies equaling three absences), a student will be dropped from Summer School.

- A tardy of one hour or less is recorded as one-half day of absence; more than one hour equals a full day. Students arriving late or leaving early must report to the attendance office.
- Do not schedule summer vacations during the Summer School session.
- Students dropped from class do not receive refunds.
- To report an absence or ask a question, please call the Summer School office at the school the student is attending.

Summer School Regulations (continued)

2. What kind of behavior is expected?

During the summer, behavior expectations are the same as during the school year. Students may not wear hats and coats in school. Students who use or possess tobacco or controlled substances; are truant or excessively tardy; or commit acts of gross misconduct will be immediately dismissed from Summer School. These students will forfeit credit and fees for the semester.

3. Are students required to wear I.D.s?

Students are required to wear and properly display a current school I.D. card while attending Summer School in District 211. Student I.D. cards will be distributed on the first day of class. The I.D. card must be worn around the neck and visible at all times during the school day except when specifically exempted on a temporary basis by an authorized faculty/staff member. Only lanyards issued by the school may be used to wear and display the I.D. card. Students may not embellish their I.D. card with any drawing or writing. I.D. cards must be surrendered upon request of any staff member, including bus drivers and student supervisors. The I.D. card must be shown to the staff member on duty when entering buses, checking out media materials, and leaving the school for any purpose. Students without an I.D. card on a school-issued lanyard must obtain a replacement card or lanyard immediately upon entering the building. A fee of \$3.00 may be charged to replace a lost or invalid I.D. card or school lanyard, and a fee of \$1.00 may be charged for each day that a student fails to wear the I.D. card to school. Further disciplinary consequences may apply for failure to properly wear and display a current I.D. card.

4. Are electronic devices allowed?

Students are permitted to possess electronic communication devices (e.g. cellular telephones, pagers, personal digital assistants, or any hybrid communication device) while on school property. "School property" includes the school building, parking lots and grounds, and school-owned vehicles. However, these devices must be turned off and stored out of sight (backpack, purse, not visible to anyone) during school hours.

5. What are the study requirements?

Students should expect a great deal of homework each day. Absentees must turn in missed work immediately upon their return to school.

6. What is the final examination policy?

A student who is absent on the last day of the semester will not be allowed to take the final examination and will not receive course credit. In addition, the student will forfeit all fees for the entire semester and receive a failing grade by default. Final examinations will be given during the last two hours of class. Final examinations will not be given early.

7. How much credit does a course earn?

Students receive one-half unit of credit for each semester of an academic course. Driver education courses and physical education earn one-quarter unit of credit for the course.

8. What does "audit" mean?

Students may apply to audit a course. A notation will appear on the school record that the student attended the course and received no credit. Audit students pay full fee and must adhere to the same attendance guidelines. Audit forms are obtained from the Summer School principal.

M214 Plane and Solid Geometry

Level: 2,3,4 1/2 or 1 unit of credit

This study of geometry involves studying the axioms and theorems that relate points, lines, planes, and solids. An overview of plane and solid geometry is presented through geometric constructions, measurement formulas, and limited writing of formal proofs.

M217 Plane and Solid Geometry

Level: 2 1/2 or 1 unit of credit

Prerequisite: M117 Algebra 1 (A,B,C) or acceptable performance on algebra examinations is required. This comprehensive study of plane and solid geometry includes constructions, formulas for measurement, and formal proofs. It is based on the axioms and theorems that relate points, line, planes, and solids. Algebraic techniques are integrated into the solution of many geometric problems.

Prerequisite: Successful completion of Chemistry (S332, S338, S439).

This course provides an introduction to common disease states and their treatments from a pharmacist's perspective. It includes hands-on activities related to patient assessment and education regarding these diseases. The course is designed to allow students to explore the role of the pharmacist as a member of the healthcare team. Knowledge of high school biology is assumed. Students will take three field trips to Roosevelt University in Schaumburg during the Summer School day to complete lab activities. Roosevelt University professors teach this course.

Workshop Registration

Workshop registration is completed through the Activity/Athletic camp registration program. Please see SAT workshop schedule and location details in the registration application.

Activity/Athletic Camps/Exploration Workshops

All District 211 schools offer camps for students from incoming freshman to senior level. Since some are held in the morning, many students will have to choose between an activity/athletic camp and an academic course.

Because of irregular schedules, students will not be able to benefit from bus service.

Camps are open to all District 211 residents. PLEASE CALL YOUR CHILD'S SCHOOL ATHLETIC DEPARTMENT WITH ANY QUESTIONS REGARDING CAMPS.
