Township High School District 211 Summer School 2019

Mission Statement

"Township High School District 211 serves the educational needs of the community inspiring all students to successfully contribute to the world."

Adopted by the Board of Education August, 2016

Introduction

Contents

All students residing in High School District 211 may enroll in our tuition Summer School program. Summer School provides opportunities for students to improve academic skills and to explore new interests. It also enables incoming freshmen to become familiar with the high school routine.

Online registration begins on April 15 at 7:00 a.m. for Conant, Hoffman Estates, and Schaumburg High Schools and April 17 at 7:00 a.m. for Palatine and Fremd High Schools. Please register **early**. Walk-in registration also is available (see page 3 for office hours.) Decisions to run most classes will be made by May 31. Class sizes must be limited, and classes will close when the limit is reached. Classes with insufficient enrollment will be cancelled.

Cover Art: Breanna Cwik is a sophomore at Schaumburg High School and is currently in the National Art Honors Society. Art has always been special to Bree, she loves how art gives her a platform to express her ideas because she is always thinking and creating new things. Bree has taken art classes her freshman year and is currently enrolled in three art classes.

Mandatory Attendance June 25 and July 18 (No school on Fridays.) No school on July 4.

A student who misses the first two days of a Summer School semester will not be allowed to attend class that semester.

Registration Information

Online: First Semester Registration — Online registration begins April 15 at 7:00 a.m. for all current freshmen, sophomores, and juniors at CHS, SHS, and **HEHS** and closes at 3:00 p.m. on June 3.

> Online registration begins April 17 at 7:00 a.m. for all current freshmen, sophomores, and juniors at PHS, and FHS and closes at 3:00 p.m. on June 3.

> Second Semester Registration — Online registration begins April 15 at 7:00 a.m. for current freshmen, sophomores, and juniors at CHS, SHS, and **HEHS** and closes at 3:00 p.m. on June 25.

Online registration begins April 17 at 7:00 a.m. for all current freshmen, sophomores, and juniors at PHS and FHS and closes at 3:00 p.m. on June 25.

Incoming Freshmen Summer School Registration

Summer School registration begins April 22 for all incoming freshmen. All registration hours and closing dates apply. Registration must be completed at the school the student will attend in the fall.

IF YOUR CHILD DESIRES TO TAKE A SUMMER SCHOOL COURSE OTHER THAN THE COURSES CURRENTLY AVAILABLE IN THEIR IC PORTAL, THE PARENT WILL NEED TO CONTACT THEIR SCHOOL'S STUDENT SERVICES OFFICE.

Activity/Athletic Camp Registration — See page 24 for information.

Walk-in: All registration dates apply. Current and incoming District 211 students must register at their home high school (see page 3 for office hours).

> Parochial school students who live in High School District 211 boundaries may register for academic classes at the Administration Center on the first day of registration.

Out-of-District Students — Register on May 31 until 12:30 p.m. and June 3 at: Township High School District 211, G.A. McElroy Administration Center, 1750 South Roselle Road in Palatine. Out-of-District students are not eligible to register for camps.

Walk-in	Palatine High School	8:00 a.m 3:30 p.m.
Summer	Fremd High School	7:30 a.m 3:00 p.m.
School	Conant High School	8:00 a.m 3:30 p.m.
Registration	Schaumburg High School	7:30 a.m 3:00 p.m.
Hours:	Hoffman Estates High School	
	Administration Center	8:00 a.m 3:30 p.m.

How:

After students have met with their counselor and have made course selections, registration can be completed for students at the high school they will attend during the 2019-2020 school year *OR* online.

Online payment is available for District 211 families by using the Infinite Campus Parent Portal found on your child's home school website. Online payment can be made by credit card using Visa, MasterCard, Discover, or American Express. Parents desiring to complete registration online may do so by using the same username and password that has been previously provided. Walk-in and online registrations must adhere to deadlines as stated. Payment for walk-in registrations may be done by cash, check, or credit card.

Transportation: Students who pay in person for transportation will receive a temporary bus pass upon payment at the school where they register. If payment for transportation is made online, parents will be notified via email when a bus route has been assigned. The student then needs to see their counselor to get a temporary bus pass. A permanent bus pass will be issued to eligible students on the first day of attendance.

Fees: See the Summer School fee schedule below.

Summer School Fees

All fees must be paid in full at time of registration. If paying by check, please make checks payable to "Township High School District 211."

Non-credit Competitive Softball	

Academic Refund Policy

Students may receive a 100% refund if they withdraw from a full-tuition academic course before the first class meeting.

Students enrolled in Summer School may receive a partial refund for <u>only</u> the following reasons:

- any long-term illness or injury causing withdrawal from Summer School. The refund request must be accompanied by a doctor's verification of the medical condition causing withdrawal.
- · a death in the immediate family.

Academic Courses

(13-day courses)

If request for refund occurs within:

1-4 days (2/3 of tuition)

5-8 days (1/3 of tuition)

9-13 days (No refund)

Driver Education & Physical Education (Make-up)

(26-day courses)

If request for refund occurs within:

1-8 days (2/3 of tuition)

9-16 days (1/3 of tuition)

17-26 days (No refund)

Academic refund checks for 1st semester will be issued on or near July 5, 2019, and 2nd semester on or near July 29, 2019.

NO REFUNDS WILL BE GIVEN FOR ANY OTHER REASONS.

A school administrator and the District Summer School administrator must approve all refunds which will be subject to a review of initial payment.

ORIGINAL BUS PASS MUST BE SURRENDERED TO BE ELIGIBLE FOR A FULL TRANSPORTATION REFUND. Refund requests missing a bus pass will be delayed until the pass is returned.

Food Service Options

Breakfast, lunch, and à la carte options are available to all students attending Summer School. A complimentary breakfast will be available to all students before the start of school each morning. Additionally, Palatine and Schaumburg High Schools qualify for the USDA's Seamless Summer meal program, which allows these schools to offer a free lunch to all students attending these high schools' Summer School programs, as well as any child under the age of 18 in the community. More information on these programs can be found on the district's webpage. Fremd and Conant High School will offer a complete lunch daily for \$3.00. All lunch meals include an entrée, servings of fruits and vegetables, and milk. A la carte offerings in the cafeteria and vending machines also will be available.

If your child is new to District 211 this summer, an application for the free and reduced meal program for school year 2018-2019 is accessible online at http://adc.d211.org/page/6669 or a hardcopy is available at each school. Please remember that a new application will need to be completed prior to the 2019-2020 school year. This new application will be available in mid-July.

District 211 students attending Summer School will have access to their food service prepayment accounts. Students may make a payment in the cafeteria using cash. Deposits to prepayment accounts can be made using cash or check payments only during Summer School. Online credit card payments will not be accepted during Summer School and will resume prior to the start of the 2019-2020 school year. If you have any questions about the food service options available to your child, please call the Food & Nutrition Services Department at 847-755-6681.

Emergency Information

In the event that it is necessary to cancel classes because of an emergency situation, information will be available on the District 211 website (*adc.d211.org*) or via the news media.

School Start/End Times

Palatine 8:00 a.m. - 1:15 p.m.

7:15 a.m. - 12:30 p.m.

Conant 8:00 a.m. - 1:15 p.m.

Schaumburg 7:15 a.m. - 12:30 p.m. Hoffman Estates No Classes

Transportation

District 211 school buses will run for morning credit classes only. District transportation is not provided for afternoon classes. The fee is \$35 for one semester, \$70 for both semesters. Because of irregular schedules, students in driver education classes may not be able to benefit from bus service.

All students are asked to be at their assigned corner five minutes before the route start time and remain there until the bus arrives. Please contact your school's Student Services office with any bus assignment questions.

Summer School Regulations

Frequently Asked Questions

Summer School is an academic enrichment program for students who desire additional learning opportunities. Time is precious; each day is equivalent to a week of study during the regular school year. Rules are enforced strictly, quickly, and consistently to maintain an atmosphere conducive to learning. There will be no exceptions made to the rules of conduct or attendance.

What kind of behavior is expected?

During the summer, behavior expectations are the same as during the school year. Students may not wear hats and coats in school. Students who use or possess tobacco or controlled substances; are truant or excessively tardy; or commit acts of gross misconduct will be immediately dismissed from Summer School. These students will forfeit credit and fees for the semester.

continued on next page

Summer School Regulations (continued)

Are students required to wear I.D.s?

Students are required to wear and properly display a current school I.D. card while attending Summer School in District 211. Student I.D. cards will be distributed on the first day of class. The I.D. card must be worn around the neck and visible at all times during the school day except when specifically exempted on a temporary basis by an authorized faculty/staff member. Only lanyards issued by the school may be used to wear and display the I.D. card. Students may not embellish their I.D. card with any drawing or writing. I.D. cards must be surrendered upon request of any staff member, including bus drivers and student supervisors. The I.D. card must be shown to the staff member on duty when entering buses, checking out media materials, and leaving the school for any purpose. Students without an I.D. card on a school-issued lanyard must obtain a replacement card or lanyard immediately upon entering the building. A fee of \$3.00 may be charged to replace a lost or invalid I.D. card or school lanyard, and a fee of \$1.00 may be charged for each day that a student fails to wear the I.D. card to school. Further disciplinary consequences may apply for failure to properly wear and display a current I.D. card.

Are electronic devices allowed?

Students are permitted to possess electronic communication devices (e.g. cellular telephones, pagers, personal digital assistants, or any hybrid communication device) while on school property. "School property" includes the school building, parking lots and grounds, and school-owned vehicles. However, these devices must be turned off and stored out of sight (backpack, purse, not visible to anyone) during school hours.

What are the attendance rules?

- A student who misses the first two days of a Summer School semester will not be allowed to attend class that semester.
- A student who misses the first two days of a Summer School semester will forfeit all tuition and fees.
- Upon obtaining a third absence (or any combination of absences/tardies equaling three absences), a student will be <u>dropped</u> from Summer School.
- A tardy of one hour or less is recorded as one-half day of absence; more than one hour equals a full day. Students arriving late or leaving early must report to the attendance office.

- Do not schedule summer vacations during the Summer School session.
- Students dropped from class do not receive refunds.
- To report an absence or ask a question, please call the Summer School office at the school the student is attending.

High School Attendance Lines

Palatine	847-755-1670
William Fremd	847-755-2670
James B. Conant	847-755-3670
Schaumburg	
Hoffman Estates	

What are the study requirements?

Students should expect a great deal of homework each day. Absentees must turn in missed work immediately upon their return to school.

What is the final examination policy?

A student who is absent on the last day of the semester will not be allowed to take the final examination and will not receive course credit. In addition, the student will forfeit all fees for the entire semester and receive a failing grade by default. Final examinations will be given during the last two hours of class. Final examinations will not be given early.

How much credit does a course earn?

Students receive one-half unit of credit for each semester of an academic course. Driver education courses and physical education earn one-quarter unit of credit for the course.

What does "audit" mean?

Students may apply to audit a course. A notation will appear on the school record that the student attended the course and received no credit. Audit students pay full fee and must adhere to the same attendance guidelines. Audit forms are obtained from the Summer School principal.

How does a student register for a class?

Current students should contact their counselor to enroll in Summer School. Parents should contact their child's counselor for an appointment, if desired. New students should contact the student services office at the school they will attend in the fall. District 211 Summer School is not available to students entering grade 8 or below.

Summer School Course Offerings

Register early to guarantee a seat because classes will close.

Applied Technology

T272/T672 Networking: IT Fundamentals

Levels: All 1/2 unit of credit

This course provides students with a hand-on introduction to operating systems and related concepts. Includes hardware, software, file systems, directory structures, files and attributes, text editors, applications and maintenance. Compares and contrasts GUI and command line interfaces in a variety of current operating systems. *T67203: Harper College Course NET 105*

IT Fundamentals, 3 college credits. Palatine High School – 1st semester

Art

A153 Art

Levels: All 1/2 unit of credit

This course is the equivalent to the first semester of Painting, Drawing, and Printmaking 1 offered during the regular school year. Students will learn the basics of drawing, color, and design through a variety of projects and materials.

Fremd High School — 2nd Semester Schaumburg High School — 2nd Semester

A195 Digital Media Arts 1

Levels: All 1/2 unit of credit

Digital Media Arts 1 is the beginning level course and introduction to digital arts and imaging. Students will begin to learn key concepts and basic skills involving digital photography and imaging, digital illustration/vector, graphic design, raster/bitmap imagery, virtual worlds, motion graphics, and game design. Lessons will be geared towards learning tool and technique basics using industry standard software such as Photoshop, Illustrator, Final Cut Pro, and Unity as students investigate the essentials of interactive media. No experience necessary. This introductory semester course is suggested as a pairing with the introductory semester course A196 Video and Animation.

Schaumburg High School — 1st Semester

A902 Photography

Levels: 2,3,4 1/2 unit of credit

This enrichment course in black and white photography features cameras, composition, and darkroom techniques and may include digital photography. Students must purchase supplies at their own expense and must have access to a 35mm black and white camera. This course may be used in place of *Photography A255* as a prerequisite for *A355 Photo II* during the regular school year. Prerequisite for level 1: Department chair or teacher recommendation.

Fremd High School — 1st Semester Schaumburg High School — 1st Semester

Business Education

B952 Online Keyboarding

Levels: All 1/4 unit of credit

Online Keyboarding is a six-week course delivered online via the Internet, email, and five two-hour face to face meetings with the instructor. You will need reliable Internet access with a standard keyboard. Students will learn to key the alphabetic keys by touch (without looking at the keyboard) to increase speed and accuracy.

NOTE: You will be required to attend five sessions with your teacher throughout the six-week period. Please enroll in this course only if you can attend all five sessions. No transporation will be provided for this afternoon class.

Meeting #1:	2-hour meeting on Tuesday, June 4	1:45 p.m 3:45 p.m.
Meeting #2:	2-hour meeting on June 10, 11, or 12	1:45 p.m 3:45 p.m.
Meeting #3:	2-hour meeting on June 24, 25, or 26	1:45 p.m 3:45 p.m.
Meeting #4:	2-hour meeting on July 8, 9, or 10	1:45 p.m 3:45 p.m.
Meeting #5:	2-hour meeting on Thursday, July 18	1:45 p.m 3:45 p.m.

Palatine High School — June 4 - July 18 Conant High School — June 4 - July 18

B285 Consumer Education

Levels: 2,3,4 1/2 unit of credit

Students will receive instruction in budgeting, savings and investing, credit, insurance, economics, comparison shopping, banking, income taxes, and consumer protection. As referenced on page 6 of the Summer School Catalog, students should expect at least 2 hours of homework each day. Out of school Internet access to accommodate the accelerated curriculum schedule is required. This course fulfills the Consumer Education graduation requirement.

All Schools — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Schaumburg High School

Driver Education

P902 Driver Education (Behind the Wheel & Classroom)

Levels: 2,3,4 1/4 unit of credit

To enroll in this program, students must be 16 years of age by September 30, 2019. All students should have a valid Illinois learner's permit on the first day of class. State law requires that all students must have received a passing grade in eight courses during the two semesters prior to enrolling in driver education. Both classroom and behind-the-wheel instruction are offered. Seats are limited in all sections. Early registration for this course is essential. Only residents of High School District 211 are eligible for this course.

Those who do not attend a District 211 high school during the regular school year must register at the G.A. McElroy Administration Center, 1750 S. Roselle Road, in Palatine, and bring a copy of their birth certificate and verification of academic eligibility. (Obtain this form from your own school's administration.)

Because of irregular schedules, students may not be able to benefit from bus service. Bus transportation is not available for afternoon classes that begin at 1:45 p.m.

All Schools — June 4 - July 18

Hoffman Estates High School classes will be held at Conant High School

Meeting times vary at all schools; students will receive a class schedule on the first day of class.

P912 Driver Education (Classroom Only)

Levels: 2,3,4 1/4 unit of credit

To enroll in this program, students must be 16 years of age by September 30, 2019. State law requires that all students must have received a passing grade in eight courses during the two semesters prior to enrolling in driver education.

Because of irregular schedules, students may not be able to benefit from bus service. Bus transportation is not available for afternoon classes that begin at 1:45 p.m.

All Schools - June 4 - July 18

Hoffman Estates High School classes will be held at Conant High School

Meeting times vary at all schools; students will receive a class schedule on the first day of class.

English

E101/E102 English

Levels: 2,3,4 1/2 or 1 unit of credit

This course is for students who need to make up freshman English credit. It focuses on literature, composition, and language.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

E201/E202 English

Levels: 3,4 1/2 or 1 unit of credit

This course is for students who need to make up sophomore English credit. It focuses on the study of literature, composition, and language. Units of speech and communication are part of the work at this level.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

E301/E302 English

Level: 4 1/2 or 1 unit of credit

This course is for students who need to make up junior English credit. It includes work on writing and the study of American literature. Students will learn research skills and complete a short research project each semester.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

E422 English

Level: 4 1/2 or 1 unit of credit

Each semester of this course satisfies one semester of the senior-level English requirement for those who need to make up senior English credit for graduation. First semester covers a survey of English literature. Second semester includes improvement of writing skills.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

Health Education

P242 Health Education

Levels: 3,4 1/2 unit of credit

Health Education is a required course for graduation by the Illinois State Board of Education. The course provides students with current health information that discusses physical, mental, emotional, and social health issues. Emphasis is given to the development of healthy lifestyles which will provide students with the opportunity to achieve their full potential as human beings.

All Schools — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Schaumburg High School

Mathematics

M114 Algebra I

Level: 2 1/2 or 1 unit of credit

This course introduces students to the fundamental principles of algebra.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

M117 Algebra I

Level: 2

This course is available for students wishing to retake because of a failing grade or desiring to improve academic achievement.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

M214 Plane and Solid Geometry

Levels: 2,3,4 1/2 or 1 unit of credit

This study of geometry involves studying the axioms and theorems that relate points, lines, planes, and solids. An overview of plane and solid geometry is presented through geometric constructions, measurement formulas, and limited writing of formal proofs.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

M217 Plane and Solid Geometry

Level: 2 1/2 or 1 unit of credit

This comprehensive study of plane and solid geometry includes constructions, formulas for measurement, and formal proofs. It is based on the axioms and theorems that relate points, line, planes, and solids. Algebraic techniques are integrated into the solution of many geometric problems. Prerequisite: *M117 Algebra 1* (A,B,C) or acceptable performance on algebra examinations is required.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

1/2 or 1 unit of credit

M314 Algebra 2

Levels: 3,4 1/2 or 1 unit of credit

This course reviews topics introduced in *M114 Algebra 1* and expands upon them. The topics include methods of solving equations and inequalities, graphing techniques, and logarithms. A graphing calculator is required. Prerequisite: *Previous enrollment in M314. Note*: This course is for credit replacement only. Sophomores and juniors who enroll in this course during Summer School must continue their study of mathematics to continue their preparation for college and career readiness.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

M317 Algebra 2

Levels: 3,4 1/2 or 1 unit of credit

This course is designed for students who are proficient in topics from *M117 Algebra 1*. The ideas presented involve advanced techniques of graphing, methods of solving equations and inequalities, and functions. Students are prepared to begin their study of pre-calculus. This course requires a graphing calculator. Prerequisite: Previous enrollment in *M317*. *Note*: This course is for credit replacement only. Sophomores and juniors who enroll in this course during Summer School must continue their study of mathematics to continue their preparation for college and career readiness.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

M438 Trigonometry/Calculus A

Levels: 2.3.4

1/2 or 1 unit of credit

The **first semester** of this course covers trigonometry for students preparing to take *M449 AP Calculus AB* the following fall. **Prerequisites for Semester 1:** Department chair or teacher recommendation. The **second semester** of this course covers limits, derivatives, and applications of derivatives in preparation for *Advanced Placement Calculus* coursework in the fall. Second semester requires a graphing calculator. Students enrolled in this class during second semester Summer School must be recommended to be enrolled in *M449* or *M479* for the fall. Final placement will be determined by their Summer School teacher. **Prerequisites for Semester 2:** *M408, M417, M438* (1st semester), and department chair approval.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

Physical Education

P903 Physical Education (Make-Up)

Levels: 3,4 1/4 unit of credit

Students who must repeat physical education to qualify for graduation may take this course. Activities vary according to abilities and interests of the students enrolled in class. Bus service is **not** available for this course, which meets in the afternoon. Classes begin Tuesday, June 4.

Palatine High School — Monday through Thursday June 4 - July 16, 1:30 - 4:00 p.m.

Conant High School — Monday through Thursday June 4 - July 16, 1:30 - 4:00 p.m.

Science

\$131/\$137 Biology

Levels: 2,3,4 1/2 or 1 unit of credit

This course applies to the science sequence required for graduation. This course is available <u>only</u> for those students wishing to <u>retake</u> because of a failing grade <u>or</u> desiring to improve academic achievement.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

S221/S233 Physical Science

Levels: 3,4 1/2 or 1 unit of credit

This course applies to the science sequence required for graduation. This course is designed for student study of the principles of measurement, kinetics, mechanics, optics, electricity, magnetism, and chemistry. Class work emphasizes the learning of science through laboratory experiences. This course is available <u>only</u> for those students wishing to <u>retake</u> because of a failing grade or desiring to improve academic achievement.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

S234 Earth Science

Levels: 3,4 1/2 or 1 unit of credit

This course applies to the science sequence required for graduation. This course is available <u>only</u> for those students wishing to <u>retake</u> because of a failing grade or desiring to improve academic achievement.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

S332 Chemistry

Levels: 3.4 1/2 or 1 unit of credit

This course applies to the science sequence required for graduation. This course is available <u>only</u> for those students wishing to <u>retake</u> because of a failing grade <u>or</u> desiring to improve academic achievement.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

Social Studies

G143 World Geography

Levels: All 1/2 or 1 unit of credit

This course is designed to combine a survey of geographic principles pertaining to physical, economic, and political aspects of the world with an application of these principles to the major continents.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

G146 World History

Levels: All 1/2 or 1 unit of credit

This course is a survey of western and non-western civilization.

Fremd High School — 1st or 2nd Semester, or both Schaumburg High School — 1st or 2nd Semester, or both

G341/G342 U.S. History

Levels: 3,4 1/2 or 1 unit of credit

This course is required for graduation. This course emphasizes objectives and study projects covering the history of our nation from the American Revolution to the present.

All Schools — 1st or 2nd Semester, or both

Hoffman Estates High School classes will be held at Conant High School

G441/G442 Social Science Survey

Level: 4 1/2 or 1 unit of credit

This course applies to the social studies sequence required for graduation. The objectives and content of this course focus on the study of four major social disciplines: anthropology, economics, political science, and sociology.

All Schools — 1st or 2nd Semester, or both

Hoffman Estates High School classes will be held at Conant High School

G992 Preparing for Advanced Placement in the Social SciencesLevel: 1 1/2 credit

This course will prepare students at the incoming-freshman level to better meet the challenges and expectations of the advanced placement curriculum in the social sciences. Students will develop writing and analytical skills. The course is a one semester, summer class offered to students interested in entering the advanced placement curriculum and further developing the skills necessary to be as successful as possible. This program is open to incoming freshmen who are registered for advanced placement Social Studies course work during freshman year. Prerequisite: Students should be enrolled in A.P. Social Studies courses in the fall or department chair recommendation. This course is offered for regular academic credit.

Palatine High School — 1st Semester Fremd High School — 1st Semester Conant High School — 1st Semester Schaumburg High School — 1st Semester

World Language

L966 Spanish Proficiency Enrichment

Levels: 1, 2, 3, 4 1/2 credit

Prerequisite: Previous Spanish language experience

This course is designed for a beginning/intermediate level student of Spanish with previous experience in the language. The focus is to strengthen input and output skills (proficiency) necessary to be successful when transitioning to the next level of language instruction.

Fremd High School — 2nd Semester Schaumburg High School — 2nd Semester

Special Education Courses

E905 Supplemental English

1/2 or 1 unit of credit

This course is designed for students who have completed *Summer Enrichment Academy* courses and who would benefit from further instruction in writing, reading and speaking. Students also receive instruction to develop organizational and study skills.

Palatine High School — 1st or 2nd Semester, or both Conant High School — 1st or 2nd Semester, or both

E907 Supplemental Reading

1/2 or 1 unit of credit

This course is designed for students who have completed *Summer Enrichment Academy* courses and who would benefit from further instruction in reading and vocabulary. Students also receive instruction in reading strategies.

Palatine High School — 1st or 2nd Semester, or both Conant High School — 1st or 2nd Semester, or both

M905 Supplemental Math

1/2 or 1 unit of credit

This course is designed for students who have completed *Summer Enrichment Academy* courses and who would benefit from further instruction in mathematics.

Palatine High School — 1st or 2nd Semester, or both Conant High School — 1st or 2nd Semester, or both

R920/R930 Summer Enrichment Academy 1 1 unit of credit

As recommended within a student's I.E.P., the *Summer Enrichment Academy* will provide instruction to those incoming freshmen who are identified as needing basic skill development in the areas of mathematics, English, and reading. Students recommended for this six-week summer program will receive instruction in mathematics each day to increase basic skills and begin developing pre-algebra skills. Students also will receive reading and English instruction each day. A variety of learning activities will help students develop skills in reading, decoding, comprehension, grammar, and written expression. The goal of this six-week special education course is to accelerate student learning; strengthen academic preparation for the high school curriculum; and to help the student acclimate to high school.

Palatine High School — 1st and 2nd Semester Conant High School — 1st and 2nd Semester

R970/R980 Summer Enrichment Academy 2 1 unit of credit

As recommended within a student's I.E.P., the *Summer Enrichment Academy* 2 will provide instruction to students who have just completed their freshman year and are identified as needing to continue developing in the areas of mathematics, English, and reading. Students recommended for this six-week summer program will receive instruction in mathematics each day to enhance skills learned during the previous year and to develop the skills necessary to succeed in the second year of mathematics involving basic algebra. Students also will receive reading and English instruction each day with a focus on comprehension, vocabulary, and writing skill development.

Palatine High School — 1st and 2nd Semester Conant High School — 1st and 2nd Semester

R940 STRIDES Enrichment – Level 1

1 unit of credit

This course focuses on skill development in the areas of algebra, mathematical applications, reading decoding, reading comprehension, grammar and written expression. The academic courses also will teach basic communication and social communication skills.

Higgins Education Center — 1st and 2nd Semester

R990 STRIDES Enrichment - Level 2

1 unit of credit

This course focuses on skill development in the areas of algebra, mathematical applications, reading decoding, reading comprehension, grammar and written expression. The academic courses also will teach basic communication and social communication skills.

Higgins Education Center — 1st and 2nd Semester

T910 Supported Work Experience

1/2 or 1 unit of credit

The class focuses on pre-vocational work skills: following directions, work completion, attendance, punctuality, communications, and listening skills. Students participate in a variety of short-term supported job training activities.

Palatine High School — 1st and 2nd Semester Conant High School — 1st and 2nd Semester

T920 Supplemental Skills

1/2 or 1 unit of credit

This academic course teaches basic communication skills and mathematics skills. Students continue to develop social skills and become oriented to the high school

Palatine High School — 1st and 2nd Semester Conant High School — 1st and 2nd Semester Higgins Education Center — 1st and 2nd Semester

Incoming Freshman Academy Courses

Incoming freshman students are individually invited to attend specific courses to assist them in developing the skills necessary to become successful in high school.

R924/R925 Incoming Freshman Academy (by invitation only — mandatory attendance)

The *Incoming Freshman Academy* will provide instruction in both mathematics and reading to incoming freshmen. The goal of this program is to accelerate student learning in reading and mathematics; strengthen academic preparation for the high school curriculum; and help the student acclimate to high school. Students selected for this mandatory six-week summer program will receive two hours of instruction in both mathematics and reading on a daily basis. Students who successfully complete the program may advance to higher curricular levels.

All Schools — 1st and 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

R926 Incoming Freshman Academy Mathematics (by invitation only — mandatory attendance)

Level: 1 1/2 unit of credit

This <u>mandatory</u> three-week course provides necessary support to students in need of accelerating their progress toward algebra readiness. Students will study topics aimed at increasing their number sense and conceptual understanding of pre-algebra concepts. This project-based classroom will use manipulative experiments, cooperative groups, and technology to enhance student learning. At the end of the program, students will be retested for placement into *Algebra I*.

All Schools — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

R927 Incoming Freshman Academy Reading (by invitation only — mandatory attendance)

Level: 1 1/2 unit of credit

This <u>mandatory</u> three-week course is designed to strengthen skills needed to be successful in high school and to become life-long readers. This intensive course focuses on improvement in reading fluency, comprehension, critical thinking, writing, and vocabulary. A variety of reading strategies will be taught through the use of short stories, novels, and nonfiction selections.

All Schools — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

Incoming Freshman Invitation Courses

R904/905 Freshman Project Excel (by invitation only)

Level: 1 1 unit of credit

Project Excel is a six-week program designed to provide intensive English and mathematics skill enhancement at a rigorous level so students will be able to advance to accelerated level coursework as freshmen. An efficacy-trained instructor will work with the teacher in the classroom to help students develop skills to reach their capacity as a student and as an individual.

All Schools — 1st and 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

M917 Preparation for Algebra 1 (by invitation only) - Classroom

Level: 1 1/2 unit of credit

Format: Traditional Summer School Class

This course prepares students for a successful first year of high school algebra by refining the prerequisite skills needed for algebra. Students work with a mathematics teacher in a self-paced, traditional classroom environment.

This course is suggested and open to all students enrolled in M117 Algebra 1 or M147 Advanced Algebra 1 during their freshman year of high school. This course also is available in an online classroom format (see M927).

All Schools — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

M927 Preparation for Algebra 1 (by invitation only) - Online

Level: 1 1/2 unit of credit

Format: Online Class

This course prepares students for a successful first year of high school algebra by refining the prerequisite skills needed for algebra. Students work from home to complete self-paced units within the six weeks of the Summer School calendar. Students may email a mathematics teacher with individual questions throughout the six weeks of the online course. Students must attend a one-hour class the first week of Summer School (multiple afternoon and evening options) to receive their software passwords. Students also must attend a 90-minute class the last week of Summer School (multiple afternoon and evening options) to take the final exam in person. Students must have access to the Internet to participate in this course. The date and time options will be sent directly to students enrolled in the course by May 17 (prior to full refund deadline).

This course is suggested and open to all students enrolled in M117 Algebra 1 or M147 Advanced Algebra 1 during their freshman year of high school. This course also is available in a traditional classroom format (see M917).

Online Course is Open to All Schools – Course must be completed within the six weeks of Summer School

M992 Preparation for Geometry (by invitation only)

Levels: 1,2 1/2 unit of credit

This course is open to incoming freshmen or sophomores who would benefit from instruction in complex algebra skills. This course prepares students for *M217 Plane and Solid Geometry* and *M218 Accelerated Geometry*. Department chair or junior high school recommendation required. This course is offered for regular academic credit.

All Schools — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

M993 Preparation for Algebra 2 (by invitation only)

Levels: 1,2 1/2 unit of credit

This three-week mathematics course is designed to strengthen geometry and algebra skills needed for success in M328 Accelerated Algebra 2 and beyond. This course is open to incoming freshman or sophomore students who would benefit from instruction in complex algebra and geometry skills. This course prepares students for M328 Accelerated Algebra 2. This course is offered for regular academic credit.

All Schools — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

M994 Algebra 1 (by invitation only)

Levels: 1 1 unit of credit

This six-week course is for invited freshman, based on qualifying scores and recommendations, to complete Algebra 1 in the summer. Algebraic symbolism, simplifying expressions, solutions to equations and the graphic representations associated with variables are among the course topics.

Fremd High School — 1st and 2nd Semester Schaumburg High School — 1st and 2nd Semester

Sophomore Academy Courses

R934/R935 Sophomore Academy (by invitation only – mandatory attendance)

Level: 2 1 unit of credit

The *Sophomore Summer Academy* will provide instruction in both mathematics and reading. Instruction is designed to accelerate student learning in reading, writing, and mathematics. Students selected for this <u>mandatory</u> six-week summer program will receive two hours of instruction in both mathematics and reading on a daily basis. Students who successfully complete the program may advance to higher curricular levels.

All Schools — 1st and 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

R936 Sophomore Academy Mathematics (by invitation only — mandatory attendance)

Level: 2 1/2 unit of credit

This **mandatory** three-week course provides necessary support to students in need of accelerating their progress towards meeting state standards in mathematics. This project-based classroom will use manipulative experiments, cooperative groups, and technology to enhance student learning. At the end of the program, students will be retested to determine their sophomore year mathematics course placement.

All Schools — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

R937 Sophomore Academy Reading (by invitation only — mandatory attendance)

Level: 2 1/2 unit of credit

This <u>mandatory</u> three-week course will focus on improving student reading fluency, comprehension, critical thinking, writing, and vocabulary. A variety of reading and writing strategies will be taught through the use of short stories, novels, and nonfiction selections.

All Schools — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

Sophomore Invitation Courses

R955 Sophomore Project Excel (by invitation only)

Level: 2 1/2 unit of credit Sophomore Project Excel is a three-week program designed to provide intensive reading and

writing skill enhancement for students who are invited to attend. Students will receive insights in strategies for improving their overall performance as a student. Successful completion of the course will provide the basis for stronger academic performance in reading and writing *which will assist students in developing the requisite skills for Advanced Placement coursework.*

Palatine High School — 1st Semester

Conant High School — 1st Semester

Schaumburg High School — 2nd Semester

Hoffman Estates High School — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

Junior Invitation Courses

R965 Junior Project Excel (by invitation only)

Level: 3 1/2 unit of credit

Junior Project Excel will specifically target students entering their senior year to emphasize college and AP-level writing skills. *This class is open to PHS and HEHS students only.*

Palatine High School — 1st Semester

Conant High School — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

Special Courses

R993 Preparing for Advanced Placement in Development of Literacy Skills

Levels: 2,3,4 1/2 unit of credit

This course will prepare current District 211 students to better meet the challenges and expectations of advanced placement curriculum. This course is designed for students to receive accelerated academic preparation in the areas of reading, writing, and analytical skills. This course is a one semester, summer class. This program is open to only District 211 students who have been placed in an AP related course for the upcoming school year. This course is offered for regular academic credit.

All Schools — 1st or 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

R942 ESL Academy English — Level A

(by invitation only - mandatory attendance for freshmen/ sophomores)

Levels: All 1/2 or 1 unit of credit

This course provides support to English language learners who are in the initial stages of acquiring the listening, comprehension, oral language, reading, and writing skills needed for English language proficiency. Students are placed in the appropriate level of ESL Academy based on recommendation only. Students attend a three- or six-week course.

All Schools — 1st or 2nd Semester, or both

Hoffman Estates High School classes will be held at Conant High School

R943 ESL Academy English — Level B

(by invitation only - mandatory attendance for freshmen/ sophomores)

Levels: All 1/2 or 1 unit of credit

Students who are in the process of learning the English language will continue to improve their listening, reading, speaking, and writing skills through this course. Students are placed in the appropriate level of ESL Academy based on recommendation only. Students attend a three- or six-week course.

All Schools — 1st or 2nd Semester, or both

Hoffman Estates High School classes will be held at Conant High School

R944 ESL Academy English — Level C

(by invitation only - mandatory attendance for freshmen/sophomores)

Lèvels: All 1/2 or 1 unit of credit

This course continues the development of listening, reading, speaking, and writing skills of students who are enhancing their English language proficiency. Students are placed in the appropriate level of *ESL Academy* based on recommendation only. Students attend a three- or six-week course.

All Schools — 1st or 2nd Semester, or both

Hoffman Estates High School classes will be held at Conant High School

R945 ESL Academy English — Level D

(by invitation only – mandatory attendance for freshmen/sophomores)

Levels: All 1/2 or 1 unit of credit This course is designed to refine listening comprehension, oral language, reading, and writing skills needed for English language proficiency. Students are placed in the appropriate level of ESL Academy based on recommendation only. Students attend a

three- or six-week course.

All Schools — 1st or 2nd Semester, or both

Hoffman Estates High School classes will be held at Conant High School

R946 ESL Academy Mathematics I

(by invitation only – mandatory attendance for freshmen/sophomores) Levels: All 1/2 unit of credit

This course provides necessary support to students in need of accelerating their progress towards algebra readiness. Students will study topics aimed at increasing their number sense and conceptual understanding of pre-algebra concepts. The project-based classroom will use manipulative experiments, cooperative groups, and technology to enhance student learning. At the end of the program, students will be retested for placement into *Algebra I*.

All Schools — 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

R947 ESL Academy Mathematics

(by invitation only – mandatory attendance for freshmen/sophomores) Levels: All 1/2 unit of credit

This course provides necessary support to students in need of accelerating their progress towards meeting state standards in mathematics. This project-based classroom will use manipulative experiments, cooperative groups, and technology to enhance student learning. At the end of the program, students will be retested to determine placement for the fall semester mathematics course.

All Schools — 2nd Semester

Hoffman Estates High School classes will be held at Conant High School

T902 Evening Vocational Seminar

Level: 4 1 unit of credit

This work/study evening course includes classroom work and on-the-job experience. Students receive 1/2 unit of credit for classroom work and 1/2 unit of credit for work experience. Students must be employed and have completed 8 semesters of high school. Attendance during the first class meeting is mandatory. This course meets the consumer education graduation requirement. (6 weeks)

Tuesdays and Thursdays at Conant High School 6:00 - 10:00 p.m., Room 107

Mondays and Wednesdays at Fremd High School 6:00 - 10:00 p.m., Room 121

College Major and Career Cluster Exploration Courses

R951 Interactive and Information Technology I: Principles

Levels: All 1/2 unit of credit

Do you like creating images or games on a computer? Do you have a technical and creative mind? This pathways exploration course allows students to investigate possible college majors and career pathways by introducing students to a variety of essential skills for the Information Technology professional. Students will explore Computer Information Systems, Software Design and Development, Visual Design, and Hardware Design and Control Systems. This project-based, hands-on course will help students determine a focus in Interactive and Information Technology and provide them with skills needed for all paths in the field.

Fremd High School — 1st Semester Schaumburg High School — 1st Semester

R952 Interactive and Information Technology II: Digital Design and Development

Levels: All 1/2 unit of credit

This second technology pathways exploratory course focuses on design applications using the skills received in the Principles course. Advanced topics such as microcontroller programming, sensor priority, animation, and web connectivity will enable students to develop a product design for presentation at the end of the course. *Prerequisites*: Interactive and Information Technology I: Principles

Fremd High School — 2nd Semester Schaumburg High School — 2nd Semester

T946 Building Construction I

Levels: All 1/2 unit of credit

While building a project on the high school campus, students will become familiar with stages of construction from site preparation to interior finish work. This may include the following skills: carpentry, siding, roofing, drywall, electrical, plumbing, heating, painting and staining, and various flooring applications. All tools are provided by District 211. <u>This class is open to all District 211 students</u>. <u>Students attending a southend high school must provide their own transportation</u>.

Palatine High School — 1st Semester

T947 Building Construction II

Levels: All 1/2 unit of credit

This course is a continuation of the project being built first semester in T946 Building Construction I. While continuing to build a project on the high school campus started first semester, students will become familiar with stages of construction from site preparation to interior finish work. This may include the following skills: carpentry, siding, roofing, drywall, electrical, plumbing, heating, painting and staining, and various flooring applications. Students are not required to complete T946 Building Construction I prior to enrolling in T947 Building Construction II. All tools are provided by District 211. *This class is open to all District 211 students. Students attending a south-end high school must provide their own transportation.*

Palatine High School — 2nd Semester

T936 Diesel Technology

Levels: All 1/2 unit of credit

A fundamental course designed to increase the knowledge of diesel engine design, fuel control systems, forced induction, and emission controls. Use of both classroom and lab will occur to demonstrate competencies. *This class is open to all District 211 students. Students attending a south-end high school must provide their own transportation.*

Fremd High School — 1st Semester

R954 Stagecraft and Entertainment

Levels: All 1/2 unit of credit

This course gives students the opportunity to study the technical aspects of the entertainment industry and what goes on behind the scenes of a concert, festival, or theatre production. You get hands-on experience in multiple areas of technical theatre, such as theatrical lighting, sound design/engineering, costuming, stage makeup, stagecraft and scene design. The skills you acquire also could help you with future jobs in entertainment, film, music, major athletic events, and theatre, and with home improvement projects, decorating, interior design, painting, construction, fashion, makeup, and more.

Palatine High School — 1st Semester Schaumburg High School — 1st Semester

W695 Health Occupation Career Observation (Dual Credit)

Level: 4 1/2 unit of credit

Format: At Harper College and hospital setting – student must provide own

transportation

Prerequisite: S437/S63702 Anatomy and Physiology Registration Deadline: Friday, April 19 (limited enrollment)

This course provides students an opportunity to observe selected occupations within a health care setting. Students will attend 13, three and one-half hour sessions under the supervision of the Harper College instructor. The following must be completed prior to the start of the course: TB test (\$30), blood titer (\$97), documentation of immunization history, verification of physical within the last 12 months, insurance verification, background check, Complio registration (\$39), flu vaccination, and urine drug screening (\$39). Students are required to complete a series of short healthcare modules independently prior to May 24. An orientation meeting to review the above requirements and answer questions will be held on April 29 at Harper College from 11:30 a.m.-2:30 p.m. Detailed information will be sent upon course registration.

W69503: Harper College, HSC106 Health Occupations Career Observation, 1.5 college credits

Harper College and Hospital Placement — 1st and 2nd semester

Location: Alexian Brothers Hospital, Elk Grove Village

Dates: Tuesdays and Thursdays, May 30 (orientation), June 4, 6, 11, 13, 18, 20, 25, 27 July 2, 9, 11, 16 from 3:30 - 7:00 p.m.

W691 Introduction to Human Diseases (Dual Credit)

Level: 4 1/2 unit of credit

Prerequisite: Successful completion of freshmen biology (S131, S137, S138) This course provides an introduction to common disease states and their treatments from a pharmacist's perspective. It includes hands-on activities related to patient assessment and education regarding these diseases. The course is designed to allow students to explore the role of the pharmacist as a member of the healthcare team. Knowledge of high school biology is assumed. Students will take three field trips to Roosevelt University in Schaumburg during the Summer School day to complete lab activities. Roosevelt University professors teach this course.

W69103: Harper College, BIO 136 Introduction to Human Disease, 3 college credits.

Palatine High School — 1st Semester

College Major and Career Cluster Exploration Workshops

SAT Preparation Camp-Mathematics

Levels: 2, 3, 4 No credit

Prerequisite: Completion of geometry or higher in high school.

This camp provides skill enhancement, test prep strategies and full-length practice tests for the mathematics subtest of the SAT. Meeting dates are listed on rSchool. See page 24 for registration.

SAT Preparation Camp-English

Levels: 2, 3, 4 No credit

Prerequisite: None

This camp provides skill enhancement, test prep strategies, and full-length practice tests for the Evidence-Based Reading and Writing score on the SAT. Meeting dates are listed on rSchool. See page 24 for registration.

Primary Care Medical Experience

evels: 3, 4 No credit

Prerequisite: Minimum requirement - completion of Biology and Chemistry; Suggested requirement – completion or enrollment in Medical Terminology, Anatomy & Physiology or CNA High school juniors and seniors interested in health science careers will spend this workshop under the direction of a licensed physician and surgeon of Illinois who is Board Certified in Pediatrics. Selected students will learn about medical careers through lectures, shadowing physicians and nurses, hands-on labs, and the creation of a medical talk. A field trip to a local hospital will show the integration between hospital-based medical activities with primary care. This workshop has a limited capacity and daily attendance is required. The lab portion of this class will take place during the Summer School day at Palatine High School. The pre-scheduled clinical site shadowing days will occur during the semester 1 Summer School days and times. Students must provide their own transportation to the clinical sites and commit to daily attendance for the entire workshop. Students should submit a resumé and letter of interest to be considered for an interview for admittance to this lab and clinical experience. Resumés and letters of interest should be submitted to Dr. Lisa Small, associate superintendent of instruction, at lsmall@d211.org via the student's District 211 email by April 5, with a hard copy mailed directly to 1750 S. Roselle Rd., Palatine IL, 60067-7336. Interviews will be scheduled for qualified students on April 13, 16, and 17. Students will be notified directly of their status via District 211 email. The fee for this course is \$75 and is paid upon registration after written acceptance into the workshop has occurred.

Palatine High School — 1st semester

Workshop Registration

The above workshop registration is completed through the Activity/Athletic camp registration program. Please see page 24 for directions. Please see SAT workshop schedule and location details in the registration application.

Activity and Athletic Camps/ Exploration Workshops

All District 211 schools offer camps for students from incoming freshman to senior level. Since some are held in the morning, many students will have to choose between an activity/athletic camp and an academic course.

Because of irregular schedules, students will not be able to benefit from bus service.

Camps are open to all District 211 residents. <u>PLEASE CALL YOUR CHILD'S SCHOOL ATHLETIC DEPARTMENT WITH ANY QUESTIONS REGARDING CAMPS.</u>

Directions for Enrolling

Activity/Athletic Camp online registrations will be processed by:

rschooltoday

Access the activity/athletic camp registration under the **Athletics** tab through your high school's website.

Choose "Summer Camp Registration."

If you have an existing account, use current login information. If you are using this for the first time, please click on the **Summer Camp Registration** link.

Fill in all required information.

When camps have been chosen, continue on to the payment process. Registration is only complete when payment has been processed. Payment must be made by VISA, MASTERCARD, AMERICAN EXPRESS, or DISCOVER.

Please be sure to complete the physical examination form if there is not a current form on file with the school nurse. Physicals are valid for 13 months.

Directions for Refunds

Students may receive a 100% refund if they withdraw from an activity/ athletic camp **before the first class meeting**. Students enrolled in summer camps may receive a partial refund for **only** the following reasons:

- any long-term illness or injury causing withdrawal from Summer School. The refund request must be accompanied by a doctor's verification of the medical condition causing withdrawal.
- a death in the immediate family.

(13-day courses)	(26-day courses)
If request for refund occurs within:	If request for refund occurs within:
1-4 days ($2/3$ of tuition)	1-8 days (2/3 of tuition)
5-8 days ($1/3$ of tuition)	9-16 days $(1/3 \text{ of tuition})$
9-13 days (No refund)	17-26 days (No refund)

NO REFUNDS WILL BE GIVEN FOR ANY OTHER REASONS.

To request a refund, please contact the cashier at your child's school. A school administrator and the District Summer School administrator must approve all refunds which will be subject to a review of initial payment.

Activity/Athletic Camp Fees

Non-credit Athletic / Activity Camps	\$75 per semester
Non-credit Competitive Baseball	\$175 fee
Non-credit Competitive Softball	\$175 fee

 All Athletic Camp students must have a current physical examination on file before they will be allowed to participate (includes Class of 2023).

Registration dates for all incoming 9th graders and current freshmen, sophomores, and juniors are:

<u>First Semester Registration</u> – Online registration begins April 15 at CHS, SHS, and HEHS and April 17 at 7:00 a.m. at PHS and FHS, and closes at 1:00 p.m. on June 6.

<u>Second Semester Registration</u> – Online registration begins April 15 at CHS, SHS, and HEHS and April 17 at 7:00 a.m. at PHS and FHS and closes at 1:00 p.m. on July 1.

Athletic Camp Students ...

Class of 2023

Students who plan to enroll in an athletic camp:

- Must present the school nurse with a completed physical exam form by May 24.
- \bullet The physical form must be approved by the nurse \underline{PRIOR} to first day of camp.
- The physical exam must have been completed within the previous 13 months (on or after April 30, 2018).

Activity Camps

Intro to Color Guard

No credit

This camp is for students interested in learning and improving basic skills in color guard. NO experience necessary. The course will include developing flag skills, dance skills, and team building.

Levels: F900 Monday through Thursday at FHS (6/4-6/20) 1st Semester JV/Varsity 1:00 - 4:00 p.m.

S. Dinham/M. Schlesinger

Levels: H920 Monday through Thursday at HEHS (6/4-6/25)

JV/Varsity 2:00 - 5:00 p.m.
S. Dinham/M. Schlesinger

Levels: H901 Monday through Thursday at HEHS (6/4-6/25) 1st Semester

Varsity 2:00 - 4:45 p.m. B. Westby/C. Jenkin

Levels: P901 Tuesday through Thursday at PHS (6/5-6/25) 1st Semester Varsity 2:00 - 5:40 p.m.

V. Okrasinski

Levels: S902 Monday and Thursday at SHS (6/27-7/18) 2nd Semester

Varsity 4:00 - 7:00 p.m.

K. Hund/D. Casamassimo

Jazz Improvisation Camp

No credit

This camp will give students a basic approach to the fundamentals of jazz improvisation, including music theory, aural skills, and jazz style.

Levels: All S980 Monday through Thursday at SHS (6/4-6/24)

1st Semester 1:00 - 3:30 p.m. B. Tipps

Debate Camp – SHS

No credit

This camp provides instruction for any student interested in learning or improving the skills necessary to speak publicly while persuading others with a positive influence. Debate camp creates a unique critical-thinking opportunity that will stretch the mind of everyone from curious intellects to argumentative teenagers. It also will help students succeed in joining a high school Debate Team and enhance their ability to compete at tournaments (joining the Debate Team is not a requirement or a prerequisite for this camp).

Levels: All

S985 Monday through Thursday at SHS (6/5-6/24)

1st Semester 1:00 - 4:00 p.m.

C. Schwartz

S986 Monday through Thursday at SHS (6/26-7/16)

2nd Semester 1:00 - 4:00 p.m.

C. Schwartz

Congressional Debate Camp – CHS

No credit

Debate camp is designed for students who are interested in learning about current events and expressing themselves through persuasive speaking. The camp is for students with zero to three years of debate experience. Instruction will emphasize critical thinking problem solving and research as well as public speaking. This will prepare students to join the Debate Team, but is not a requirement or prerequisite for this camp. Levels: All

C984 Monday through Thursday at CHS (6/4-6/25)

1st Semester 1:30 - 3:00 p.m.

Z. Nathan
