

# Palatine High School

Class of **2029**

## Timeline

### December 9, 2024

- Portal opens to request elective courses

### December 18, 2024

- Deadline to submit course requests

### January 24, 2025

- Parents/guardians receive notification of course requests

### January 31, 2025

- Deadline to make changes to course requests

### August 2025

- 2025-2026 schedules released

For more information on Incoming Freshman events, please scan the QR code.

## ■ Elective Course Requests

Palatine High School is committed to ensuring your student's high school experience is enriching, academically fulfilling, and tailored to their individual interests laying the foundation for their future educational and career pursuits.

All freshmen will have a daily class schedule that includes English, math, science, wellness classes, study hall, and elective courses. Incoming freshmen will be placed into specific English, math, and science courses based on placement test scores and recommendations from 8th-grade teachers.

### Steps To Select Elective Course Requests

1. Review the courses listed on the back thoughtfully to maximize your student's high school experience and prepare for the post-secondary journey.
2. Identify elective courses that align with your student's personal interests, academic readiness, and future goals.
3. Review graduation requirements and course descriptions of your identified elective courses in the District 211 Curriculum Guide (<https://adc.d211.org/curriculum-guide>).
4. Submit elective course requests through the D211 Infinite Campus Parent Portal.

### How Do I Submit Elective Course Requests?

Parents must log on to the D211 Infinite Campus Parent Portal to request elective courses. Once logged on, click more and then click the D211 Elective Course Selection link under Quick Links.

Indicate your student's two elective course requests plus one alternate course. Alternate courses will be used if schedule conflicts prevent another course request from being honored or if elective course prerequisites have not been met. **All requests are due by Wednesday, December 18.**

Contact the Students Services office at 847-755-1627 if you have questions about requesting elective courses.

# Elective Courses

Courses in bold may qualify as early college credits.

Course Code	Course Name
A152	Painting, Drawing & Printmaking 1
A192	Digital Media Art
A252	3D Art: Clay, Sculpture & Design
A342	Broadcast Media
B101	Computer Literacy
<b>B164</b>	<b>Technology Applications (Dual Credit)</b>
