

ACCOUNT REMINDERS

What follows is a list of the four accounts set up by school as well as the typical setup for each username and password.

For each example we will use a fictional student:

name: John Doe

ID number: 183704

birthday: 11/19/1988

Active Directory (logging onto a computer)

username: Doe5972

password: 183704 (six digit ID number)

Google (Email and Drive)

username: Doe5972@students.d211.org

password: 000183704 (nine digit student ID number)

Infinite Campus (grades and schedule)

username: 000183704 (nine digit student ID number)

password: jd111988 (first initial and last initial [lowercase] followed by six digit birthday) or whatever you changed it to

Signing on to the portal: choose "D211" and "Illinois" then "Township HS Dist 211"

Schoology (classroom and activities portal)

username: Doe5972@students.d211.org

password: 183704 (six digit student ID number)
